Att: Matt Roberts

Gentlemen:

As I discussed with you on the phone a few days ago we would like to do the landscape project on the CIA Headquarters Expansion Project, Langely (McLean), Va.

STAT I have talked to [redacted] who in-
formed me that the landscaping of this project had been set
aside as a small business set aside project, which he thought
would be handled by the small business administration as a
negotiated bid. This is all the information I have. I am enc-
closing copy of card I received from a general contractor for
me to bid as a sub before the set aside took place which may
STAT be of some help. [redacted] indicated he would help further
if he could and to feel free to contact him.

I would greatly appreciate you finding out more details of this
job; who I might contact, how I may qualify, starting and comp-
letion date, and any other pertinent information.

I will appreciate whatever help you may be in this matter and
thank you for your efforts.

Sincerely,

Arthur Clark
